Provincial Life Member Liaison**

Welcome to all of you, my friends in The League, as you begin another two years of service as mentors, for our assigned Parish Councils.

I was very honoured when our Provincial President, Lidwina, asked me to be the Life Member Liaison for the next two years. With your help and the guidance of Our Lady of Good Counsel I will certainly do my best.

As Life Member Mentor, you are asked to contact the councils that have been assigned to you, and introduce yourself as their Mentor for the next two years. Let them know that you are there to help them in any way possible. I would like you to contact them before meetings and convention to encourage them to attend. You are there to listen and encourage and they in turn will benefit from your knowledge and understanding through personal contact.

“One in the Spirit” presentation has been presented to several councils and more to be done next weekend. I have sent you a list of the councils that have to be completed and I ask for your help again with this. This program was sent to us from National and Shirley Hibbs began this program for us as Life Members to present to our Parish Councils, so, having big shoes to fill I would like to complete what Shirley has started and can only do this with your help.

I look forward to being your Provincial Life Member Liaison and welcome any suggestions or questions you may have.

Sincerely,  
Marie Raymond
