

**THE CATHOLIC WOMEN'S LEAGUE OF CANADA**  
**Newfoundland and Labrador Provincial Council**

**~Women of Peace and Hope~**

Dear Fr.

On behalf of The Catholic Women's League of Canada, Newfoundland and Labrador Council, we say "Thank You" for your dedicated commitment to all of us, the People of God, in various parts of the Province.

We wish to "Thank You" because in the midst of the many difficulties, disappointments, and discouragements, etc. each one of you has soldiered on because of your faith in God and your love for Him.

We "Thank You" for ministering in our Province where the younger among you are responsible for too many parishes and the older cannot retire and rest their weary bones because there are so "few labourers in the vineyard"

In addition to thanking you we pray that you will, with God's grace, continue to be concerned pastors, enthusiastic evangelists, acute preachers, compassionate healers, and men of fervent prayer so that by your life and ministry you will truly give glory to God. You will be enabled to bring hope, peace and joy to all of God's people who today need these virtues so desperately in our broken world. You have a heavy mandate- no wonder not many are signing on today!

As members of The Catholic Women's League and all other women of the church, as we have already witnessed, we will continue to remember you in prayer and be assured of our support in all Parish ministries and endeavours.. May Our Patroness, Our Lady of Good Counsel and her Divine Son be with you all at all times.

May God Bless you all as you continue to be God's Faithful Servant!

Sincerely,

Agnes Kenney,  
Provincial President
